VISION STATEMENT

Vatsalya Srijan Youth Organization Chhattisgarh envisions a just, inclusive, and sustainable society where every individual enjoys equal opportunities, human dignity, and fundamental rights, regardless of their social, economic, cultural, or regional background.

Our goal is to actively contribute to the comprehensive social and economic development of all communities we serve. We aspire to be a dynamic and responsive organization that consistently adapts to evolving social realities through the generation, application, and sharing of knowledge.

We are committed to promoting equality, protecting human rights, and upholding the principles of social justice. Through community participation, empowerment of the underprivileged, and sustainable practices, we aim to foster a society that values compassion, collaboration, and collective progress. By empowering youth, women, and rural populations, we strive to create long-lasting, positive change that enhances the well-being and resilience of every individual and community.

MISSION STATEMENT

“Seva Parmo Dharma” – Service is the Highest Duty

Our mission is to create **equitable, inclusive, and sustainable human settlements** where every individual — especially the poor, marginalized, and vulnerable — has equal access to the basic necessities of life, regardless of their economic, social, or cultural background.

We are committed to ensuring that all residents, particularly those living in underserved rural and urban communities, have access to:

- **Quality healthcare services,**
- **Inclusive and accessible education,**
- **Essential infrastructure** such as clean drinking water, sanitation, housing, and energy,
- And **sustainable livelihood opportunities** that promote self-reliance and dignity.

We strive to build communities that are **socially just, environmentally resilient, and economically vibrant**, by promoting citizen participation, empowering local leadership, and strengthening grassroots institutions.

Through our efforts, we aim to foster a development model where **no one is left behind**, and where the principles of **equality, dignity, and opportunity for all** guide every initiative we undertake.

AIMS AND OBJECTIVES

- To undertake charitable activities by providing **healthcare, education, sanitation, and livelihood support** to the underprivileged—particularly Scheduled Castes, landless individuals, and the unemployed—and to construct community halls and facilities for the welfare of the organization.
 - To **establish and organize health, economic, and technical institutions**, along with **women empowerment and adult literacy programs**, aimed at uplifting communities through socio-economic and cultural transformation, especially by educating women and children.
 - To work toward the **holistic development of mentally challenged and physically disabled individuals**, without any discrimination on the basis of caste, creed, religion, or race.
-

CORE VALUES AND GUIDING PRINCIPLES

Vatsalya Srijan Youth Organization Chhattisgarh upholds the following values to be practiced at both individual and organizational levels:

1. **Honesty and Integrity**
 - Commitment to truthfulness, ethical conduct, and moral responsibility in all actions.
2. **Transparency and Accountability**
 - Promoting openness in decision-making and taking full responsibility for actions and outcomes.
3. **Mutual Respect and Inclusion**
 - Respecting all individuals regardless of their background, and embracing diversity in thought, culture, and identity.
4. **Creativity and Innovation**
 - Encouraging new ideas, creative thinking, and innovative approaches to solve community challenges.
5. **Gender Sensitivity and Equality**
 - Promoting respect, dignity, and equal opportunities for all genders in every sphere of life.
6. **Cost Efficiency and Sustainability**
 - Ensuring optimal use of resources while maintaining quality and long-term impact.

7. Active Participation and Empowerment

- Engaging communities in decision-making, planning, and implementation of development initiatives.

8. Solidarity and Social Unity

- Fostering a sense of togetherness and support for collective welfare and inclusive progress.

9. Utilization of Local Resources

- Recognizing and mobilizing local human talent, knowledge, and materials for self-reliant development.

10. Encouragement of Innovation

- Supporting bold, practical, and locally relevant solutions to address community needs.

11. Embracing Challenges Positively

- Welcoming new challenges as opportunities for growth, learning, and transformation.

12. Belief in the Potential of the Rural Poor

- Trusting the capacity of marginalized rural populations to lead and shape their own development.

13. Commitment to Equality and Social Justice

- Ensuring equal opportunities for all, regardless of caste, class, age, gender, ethnicity, or religion.

14. Support for Freedom and Human Rights

- Upholding the right of every individual to freely express, move, and make life choices with dignity.

15. Promotion of Social Harmony

- Working toward a society free from communal bias, discrimination, and social division.
-
